Sir:

The undersigned Attorney of Record, appointed by the Assignee Sigma Designs, Inc., of the entire right, title and interest in and to the above-identified application by virtue of an assignment recorded in the United States Patent and Trademark Office on May 17, 2000, under Reel/Frame 010638/0574, submits herewith a Terminal Disclaimer under 37 C.F.R. 1.321(c).

**DISCLAIMER**

The owner, SIGMA DESIGNS, INC., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,654,956. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the patent in the event that such patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The undersigned Attorney of Record believes this application is in condition for allowance. If any unresolved issues remain, please contact Applicant's attorney at the telephone number indicated below.

Respectfully submitted,
